Authorization and Release to Obtain Personal Credit Information

By signing below, the undersigned hereby authorizes Vermont Slauson Economic Development Corporation ("VSEDC") to obtain credit reports, consumer reports and investigative consumer reports about me from any consumer or credit reporting agency and/or bureaus, including commercial credit agencies or bureaus, that VSEDC may choose to use and to consider such reports when making any credit decisions regarding my grant application, the making of the grant or with respect to any extension or modification of any existing grant/loans. I acknowledge that as an individual there are various Federal and/or State laws such as the "Fair Credit Reporting Act" that control or may control the issuance or use of credit reports, consumer reports and investigative consumer reports by VSEDC. I understand that I am not obligated to provide VSEDC this authorization to review such consumer reports, credit reports and/or investigative consumer reports. However, I have voluntarily agreed that such reports can be released to VSEDC so that it will consider my grant/loan application.

The undersigned hereby authorizes VSEDC to procure an investigation, or cause an investigation to be procured, for credit evaluation purposes, whether or not subject to the Fair Credit Reporting Act. I authorize, without reservation, any person or entity contacted by VSEDC or anyone acting on its behalf, to furnish information regarding verification of my social security number, education, military record, motor vehicle reports, credit history, financial account balance and history, professional licensures, public records, criminal record and/or employment references.

I hereby release VSEDC including its employees, agents, or representatives from any and all liability for furnishing such information. I also release VSEDC from any and all liability for conducting such an investigation. A photocopy, scan or facsimile copy of this Authorization and Release can be treated as though it were the original.
